

## Faculty of Earth Sciences

### Department of Mineral Resources & Rocks 3rd & 4th Years Program

The Geological Society  
*Accredited degree courses*

### Key for course numbering System

The Numbering system for the the department Courses is of three digits (EMR X X X).

- The numbers in the hundred digit (the left number) (EMR ↑ X X) are given for the Year.
- The numbers in the tenth digit (the middle number) (EMR X ↑ X) are given for the departmental field of specialization as shown in the following Table:

Numbering of Tenth Digit	Specialized Topics
1	Minerals
2	Rocks
3	Ore deposits
4	Geochemistry
9	Training in specialization and graduation project courses

- The numbers in the first digit (the right number) (EMR X X ↑) are given for the orders of the courses in each department.
